

**SANDY HOOK
MARINE CONCIERGE**

Services Offered at Edgewater Marina

The following services will be available to all vessels (2013 or newer) that are under an Edgewater Marina Summer 2023 Slip agreement:

- Haul out and bottom work
- Battery replacement
- Bilge pump replacement
- Detailing, in water and out (hull)
- Fiberglass repair
- Yamaha and Mercury outboard general maintenance service
- Prop reconditioning and replacement
- Accessory installations and upgrades (ie: Electronics, PowerPoles)
- Canvas repair and replacement

All services are provided through Sandy Hook Marine Concierge and their network of qualified subcontractors. Due to marina lot restrictions, services can only be provided Monday morning through Thursday afternoon. *Emergency weekend services are not provided at Edgewater Marina.*

Off Season Storage will be offered to slip holders on a very limited basis. If you wish to store your vessel on land over the winter months, please contact us immediately to be put on a waitlist. Rates have not yet been determined.

All services provided for vessels, while slipped at Edgewater Marina, must be secured through Sandy Hook Marine Concierge. Outside mechanics are not permitted on the property.
